|----------------------------------------------------------|
| 7.49% | 5.46% | 5.34% | 11.49% | 7.89% |

*Shaded rows indicate measures analogous to Kapiʻolani Community College’s award institutional effectiveness measures. Cohorts were new, first-time Native Hawaiian students enrolled and home-based at KapCC and excluded special, early admit students (concurrently enrolled high school students.) Percentages were calculated using a revised cohort that removed students who transferred to UH 4-yr institutions without earning a degree or certificate of achievement from KapCC.*
