

## Fall 2015 UH-Mānoa Majors of Kapi'olani Community College Transfers From the 2014-2015 Academic Year

### Methodology

All students enrolled and home based at Kapi'olani Community College (KapCC) during the 2014-2015 academic year were identified from the Operational Data Store (ODS) data warehouse after any of the three census freeze dates (fall, spring, or summer.) Of these 8,395 students, 610 students were enrolled and home based at UH-Mānoa in fall 2015. The UH-Mānoa majors of these 610 transfers from KapCC were extracted from ODS and are presented below.

### Findings

The 610 students from KapCC transferred into a total of 85 different majors at UH-Mānoa in fall 2015. The top five transfer majors (including ties) comprised approximately 32% of transfers, and the top 10 ranked majors (14 different major with ties) included 51% of the transfers.
