

K5.202 Review of Established Programs (Revised Spring 2012, Corrected Spring 2013)

1. Purpose

Program reviews are intended to provide a regular assessment of the effectiveness of academic instructional programs, of significant continuing education programs, and of major educational and administrative support functions. Program reviews are conducted by the faculty and staff in the program, based on agreed upon measures and program plans. Program reviews provide for assessment of student learning, program demand and efficiency, analysis of external factors impacting a program, and assessment of planned program improvements. Program review results shall be used for decisions relating to program improvement, program modification, and/or program termination, (budgeting?)

2. Related University Policies

- a. Board of Regents Policy, Section 5-1.b Review of Established Programs
- b. University of Hawai'i Systemwide Executive Policy, E5.202 Review of Established Programs
- c. University of Hawai'i Community Colleges Policy UHCCP 5.202 Review of Established Programs

3. Programs Subject to Review

- a. All credit degree and certificate programs approved by the Board of Regents. Program reviews for degree programs should incorporate all related certificates and student service support, as appropriate. Although it does not award degrees or certificates, Kahikoluamea is also subject to instructional comprehensive program review.
- b. Student and academic support units.
- c. All educational and administrative support units.

Appendix A identifies the specific programs subject to this policy. Appendix B describes the content and format of the report for each of these three areas.

4. Frequency of Program Reviews

- a. *Annual Report of Program Data (ARPD)*: Instructional, student services, academic support, administrative services, and continuing education shall evaluate data annually.
- b. *Comprehensive Program Review (CPR)*: All programs shall complete a comprehensive assessment every three years. If an instructional program has

completed a comprehensive self-assessment for the purposes of program accreditation within two years of the comprehensive program review cycle, the results of the accreditation self-study may substitute for the program review.

5. Content of Program Reviews

- a. *Annual Report of Program Data*: See UHCCP 5.202 (www.hawaii.edu/offices/cc/policies.html and www.hawaii.edu/offices/cc/arpd/index.php)
- b. *Comprehensive Program Review*: See Appendix B

6. Responsibilities

- a. ARPD data for instructional and student services programs are gathered centrally by the UHCC Office for Academic Policy and Planning in consultation with UHCC Institutional Program Review Council (<http://www.hawaii.edu/offices/cc/iprc.html>). Other ARPD and some CPR data are gathered by individual programs.
- b. The program head, in consultation with program faculty and staff and other appropriate individuals, shall be responsible for evaluating the assessment data and completing a report according to established format.
- c. The program administrator shall be responsible for reviewing reports and ensuring completion of reports by established deadlines. Where appropriate, the program administrator may direct further analysis or research for programs that are under-performing. The program administrator shall be responsible for using the results of the program review in decision-making related to program improvement and resource allocation.
- d. The Policy, Planning and Assessment Council shall be responsible for oversight of the program review process, including reviewing summaries of program review reports and related recommended actions, monitoring overall College compliance with program review policies, and reviewing and approving common outcomes definitions for use with program assessment.

7. Dissemination of Program Reviews

- a. *ARPD*: shall be available to the public at UHCC website (www.hawaii.edu/offices/cc/arpd/index.php). Chancellor shall submit an executive summary to UHCC Office for Academic Affairs. UHCC Vice President shall present a summary to the University of Hawai'i Board of Regents.
- b. *CPR*: shall be available to the public at Office for Institutional Effectiveness

website (ofie.kcc.hawaii.edu/).

8. Assessment of the Program Review Process

- a. *ARPD*: review of ARPD process is the responsibility of the UHCC Institutional Program Review Council (<http://www.hawaii.edu/offices/cc/iprc.html>).
- b. *CPR*: At the conclusion of each comprehensive program review cycle, the OFIE will conduct an assessment of the overall program review policy and procedures to determine if improvements are necessary and present recommendations to PPAC.

- provides open access, and promotes students' progress, learning and success with low tuition and high quality instructional programs, student development and support services, and selective areas of excellence and emphasis.
- prepares students to meet rigorous associate and baccalaureate requirements and personal enrichment goals by offering high quality liberal arts and other articulated transfer programs.
- delivers high quality 21st century career programs that prepare students for rigorous employment standards and to meet critical workforce immediate and long-term needs and contribute to a diversifying state economy.
- prepares students for lives of ethical and social responsibility by offering opportunities for increased service-learning and community engagement.
- leads locally, regionally, nationally and internationally in the development of integrated international education, enriched through global collaborations.
- uses human, physical, technological and financial resources effectively and efficiently to achieve ambitious educational goals and generate a solid return on the public's investment for a sustainable future.
- builds partnerships within the University and with other educational, governmental, business, and non-profit organizations to support improved lifelong learning.
- uses ongoing cycles of planning, best practice research, budgeting, implementation, assessment, and evaluation to drive continuous program and institutional improvement.

Program Mission Statement: Clear statement of program purposes and links to the College's Strategic Plan.

Part I. Executive Summary of CPR and Response to previous ARPD recommendations

Part II. Program Description

History

Program goals/Occupations for which this program prepares students: Include the skills that graduates will have and the occupations for which they are prepared

Program Student Learning Outcomes (SLO)

Admission requirements

Credentials, licensures offered

Faculty and staff

Resources, including student support services

Articulation Agreements

Community connections, advisory committees, Internships, Coops, DOE

Distance delivered/off campus programs, if applicable

Part III. Quantitative Indicators for Program Review

Listing of most recent three years of ARPD data for demand, efficiency and effectiveness.

Part IV. Curriculum Revision and Review

Listing of courses reviewed during the previous three years. The goal is to review a minimum of 20% of existing courses each year.

Part V. Survey results

1. Student satisfaction, including student support services
2. Occupational placement in jobs (for CTE programs)
3. Employer satisfaction (for CTE programs)
4. Graduate/Leaver

Part VI. Analysis of the Program

1. Alignment with mission
2. Current Situation. *Internal:* Strengths and weaknesses in terms of demand, efficiency, and effectiveness based on an analysis of the ARPD data in Part III. CTE programs must include analysis of the Perkins Core indicators for which the program has not met the performance level. *External:* Review "Planning Shaped By External Context," pages 10-13 of the updated Strategic Plan, 2008-2015. Identify specific external factors influencing program planning
3. Assessment Results for Program SLOs. The program will develop a schedule for SLO assessment such that within the three-year review period, all SLOs will have been assessed and the following will be reported:
 - List of the Program Student Learning Outcomes and the dates assessed
 - Assessment results
 - Changes that have been made based an evaluation of the assessment results

Part VII. Tactical Action Plan

1. Department Action Plan (where multiple programs are housed in a single department, the departmental-level plan is included in all program review reports)
 - a. Appropriate Strategic Outcomes: departmental tactical action plan outcomes should align with and help the College achieve its strategic outcomes as identified in the Strategic Planning Matrix. Code outcomes to match the College's outcomes (A=Hawaiian Attainment, B=Educational Capital, C=Grants Development, D=Workforce Development, E=Professional Development, F=Resource Stewardship).
 - b. Tactical Plan Performance Measures: Performance measures should align with and help the College achieve its performance measures as identified

in the Strategic Planning Matrix. Code performance measures to match College performance measures (examples A1, B2, C1, D4, E1, F2).

- c. Strategies: Develop strategies to address weaknesses identified in ARPD. Review the Potential Strategies and Campuswide Strategies identified in the Strategic Plan. Identify specific strategies.
 - d. Data to be gathered: e.g. ARPD, IEMs, CCSSE, program-specific data
 - e. Position(s) Responsible
 - f. Synergies with other programs, units, emphases and initiatives
 - g. Key Community Partners (if any)
2. Program Action Plan (based on ARPD results)

Part VIII. Resource and Budget Implications

Identify the human, physical, fiscal, and technology resources required to implement strategies and indicate the appropriate funding sources: existing appropriated funds, tuition and other special fees, grants, etc.

Part IX. Evaluation of Data and Measurable Improvements (annually updated)*

1. Evaluation of Data identified in Part VII-1-d
2. Improvements in Last 12 months (list)
3. Improvements to be made in the next 12 months (list)

*New initiatives may be added in annual updates
