

## Fall 2013 UH-Mānoa Majors of Kapi'olani Community College Transfers From the 2012-2013 Academic Year

### Methodology

All students enrolled and home based at Kapi'olani Community College (KapCC) during the 2012-2013 academic year were identified from the Operational Data Store (ODS) data warehouse after any of the three census freeze dates (fall, spring, or summer.) Of these 8,806 students, 574 students were enrolled and home based at UH-Mānoa in fall 2013. The UH-Mānoa majors of these 574 transfers from KapCC were extracted from ODS and are presented below.

### Findings

The 574 students from KapCC transferred into a total of 82 different majors at UH-Mānoa in fall 2013. The top five transfer majors comprised approximately 32% of transfers, and the top 10 ranked majors (13 different major with ties) included 54% of the transfers.
