Methodology

All students enrolled and home based at Kapi'olani Community College (KapCC) during the 2013-2014 academic year were identified from the Operational Data Store (ODS) data warehouse after any of the three census freeze dates (fall, spring, or summer.) Of these 8,556 students, 573 students were enrolled and home based at UH-Mānoa in fall 2014. The UH-Mānoa majors of these 573 transfers from KapCC were extracted from ODS and are presented below.

Findings

The 573 students from KapCC transferred into a total of 89 different majors at UH-Mānoa in fall 2014. The top five transfer majors (including ties) comprised approximately 33% of transfers, and the top 10 ranked majors (15 different major with ties) included 57% of the transfers.
